

Joining Forces, Creating “The Ultimate A Team”  
and Delivering More Opportunities for the Future!

**ENERGY**

TRANSPORT LOGISTICS

**FASTRUCKING**<sup>®</sup>

*People • Service • Technology*

*The Ultimate A-Team combines expanded service, top tier technology, additional fleet and hundreds of years of combined logistics experience to provide the best-in-class service to our customers for many years to come.*

**2023**

***What this Means for Our Customers:***

- A Larger Geographical Footprint
- Additional Linehaul Schedules
  - More Freight Capacity
  - Larger Facilities
  - Better Technology
- More Customer Support
  - Increased Fleet Size
- Advanced EDI and API Platforms
- Faster Communication

*We look forward to serving our customers and continue to grow into the future.*
